

The John van G Make-up Collection

Is an innovative make-range offering a diversity of choices based around using magnetic compacts, this system enables you to select a personal combination of colours with limitless possibilities to suit every mood or occasion.

No animal testing, a strict ingredient policy and an environmentally friendly refillable system make it the perfect finishing touch!

John van G Make-up Collection

Flawless Face Foundation

The foundation range consists of a wide variety of quality products containing superb moisturisers and natural UV filters to protect your face throughout the day. From clever camouflage to cover scars to traditional natural finish liquid foundation, you will find what you are looking for within this collection.

By the use of a creamy natural concealer, loose finishing powder, bronzing powder or pearls, you can add the finishing touch to your make-up.

Eyes, Cheeks and Lips

The extensive range of eye shadows, eyebrow pencils, eyeliner pencils, liquid eyeliners, lipsticks, lip liners and lip glosses give a wide variety of choice.

Magnetic Compacts

With a range of compacts to hold two, three, six or eight eye shadows or a combination of eye shadows, eyebrow powder, and blusher the list is endless.

Eye Shadow

The micro fine texture makes the eye shadow ultra-soft and gives a long lasting even finish to the eyelid. With an almost limitless collection of shades available, these shadows have been specially designed to fit into the magnetic compacts.

Eyebrow Powder

For that professional finish, eyebrow powder is a popular alternative to eyebrow pencil to add definition and a natural look. John van G eyebrow powder have been designed to fit into the magnetic compacts

Blusher

John van G Blushers have been designed to fit into the magnetic compacts
