

PAMPER PACKAGES

CLASSIC [3 hours of bliss]

Classic facial, Classic manicure, Classic pedicure and eyelash tint *

Classic Facial

This facial is deep cleansing and very relaxing and involves the use of steam or hot towel compresses to open the pores. Exfoliation follows to help remove surface dead skin cells, congestion and skin blockages and a 20-minute face, neck and shoulder massage is given to aid circulation and improve skin tone. A mask and moisturiser follow to help remove toxins or further hydrate and nourish.

Classic Manicure

The Classic manicure involves nail shaping, cuticle treatment, a Mavala collagen hand cream is used to massage the hands and the manicure is completed with an application of nail polish to the fingernails.

Classic Pedicure

Toenails are clipped and filed and feet are soaked. Cuticle treatment follows and foot scrub is applied to soften/remove hard skin. Foot lotion is applied to the feet and lower legs and massaged. Nail polish is applied to the toenails.

Eyelash Tint *

Enhance your eyes by having your eyelashes tinted. Choose from black, blue-black or dark brown.

* NB: skin sensitivity test needed 48 hrs prior to treatment
