

SENTOSA MANICURES

Mini Manicure

Nail shaping, cuticle oil, hand cream and an application of Mavala nail polish.

Classic Manicure

Nail shaping, cuticle care, hand conditioning, hand massage and an application of nail polish.

Luxury Manicure

Nail shaping and cuticle care is followed by a luxurious skin care treatment for the hands and lower arms.

Gentle treatment granules, followed by a hydrating masque and collagen hand lotion is massaged into the hands and lower arms to leave them feeling silky soft and smooth.

The manicure is completed with an application of Mavala nail polish.

Pinks - Indulgent Aromatic Spa Manicure

A wonderfully relaxing **hand, full arm** and **nail** care therapy performed on the treatment coach in total comfort.

This pampering manicure is the height of luxury and the fragrant aromas are totally organic.

Pinks organic skin care products with their fragrant essential oils and moisturising qualities will delight the senses and leave your skin beautifully soft and cared for.

Nail shaping and cuticle care is followed by luxurious skin care treatment for the hands and arms. Hands are soaked in gentle minerals to soften and a moisturising scrub is used to leave the hands and arms smooth.

A rich nourishing balm is massaged into the arms and hands to leave them feeling silky soft and smooth.

The manicure is completed with an application of Mavala nail polish and includes a complementary bottle of your chosen colour.
