

PEDICURES

Mini Pedicure

Toenails clipped, filed and nail polish applied

Classic Pedicure

Toenails clipped, filed and cuticle care.

A foot soak and scrub to soften/remove hard skin and nail polish is applied

Luxury Pedicure

Toenail shaping and cuticle care is followed by a luxurious skin care treatment for the feet and lower legs.

A softening and smoothing foot soak and scrub is used to remove hard skin and a hydrating foot mask and soothing leg and foot balsam is massaged into the feet and lower legs to leave feet and legs feeling soft and silky.

To finish the pedicure, Mavala nail polish is applied to the toenails.

Pinks - Indulgent Aromatic Spa Pedicure

A wonderfully relaxing foot and lower leg care therapy performed on the treatment coach in total comfort.

This pampering pedicure is the height of luxury and the fragrant aromas are totally organic. Pinks organic skin care products with their fragrant essential oils and moisturising qualities will delight the senses and leave your skin beautifully soft and cared for.

Nail shaping and cuticle care is followed by luxurious skin care treatment for the feet and lower legs. Feet are soaked in gentle minerals to soften and a moisturising scrub is used to leave the lower legs and feet smooth.

A rich, nourishing balm/aromatic oil is massaged into the lower legs and feet to leave them feeling silky soft and smooth.

The pedicure is completed with an application of Mavala nail polish and includes a complementary bottle of your chosen colour.
